

Famous for wrapping

Improve Presentation, Reduce Damage & Save Money!

Three good reasons to consider the protective alternatives to the more traditional paper and woollen blankets. Jiffy have developed a range of protective furniture wraps designed specifically to protect items large and small, modern and antique, from knocks, scuffs and vibration. Tough, yet cushioning, water resistant and re-usable, the Jiffy range of covers and rolls provide the utmost in quality which means **more protection for the items that you pack, ship and store.**

Furni-guard®

**Protection for furniture in transit or storage...
CLEAN, MODERN AND PROFESSIONAL!**

Furni-guard is a sandwich construction with Astro Bubble laminated to a printed LDPE film on one side and a simulated paper LDPE on the other side. Furni-guard offers increased strength, puncture resistance and cushioning protection when compared to regular bubble or paper blankets. Ideal for domestic, business and overseas removals, furniture manufacturers, wholesalers and retailers. Available from stock.

Furni-soft®

Gentle protection you can trust.

Furni-soft is the latest addition to the Furni range, designed specifically to protect furniture with delicate surfaces from knocks, scuffs and vibration. Furni-soft combines all the protective qualities of Furni-guard, with an extra gentle, non-abrasive layer.

Customers looking for a modern alternative to woollen blankets have been impressed with the presentation and protection Furni-soft has to offer.

Furni-kraft®

A traditional concept with a modern twist.

Furni-kraft provides a modern protective approach with a traditional paper finish designed specifically to protect furniture with highly polished surfaces. The laminated sandwich construction of Furni-kraft combines Astro Bubble laminated to a printed LDPE film on one side and a smooth machine glazed, high quality kraft paper on the other side. Professional, durable and reliable, Furni-kraft offers a highly presentable, protective alternative to more familiar paper wrapping materials.
